

Welcome to the School of Civil and Environmental Engineering Information Hub

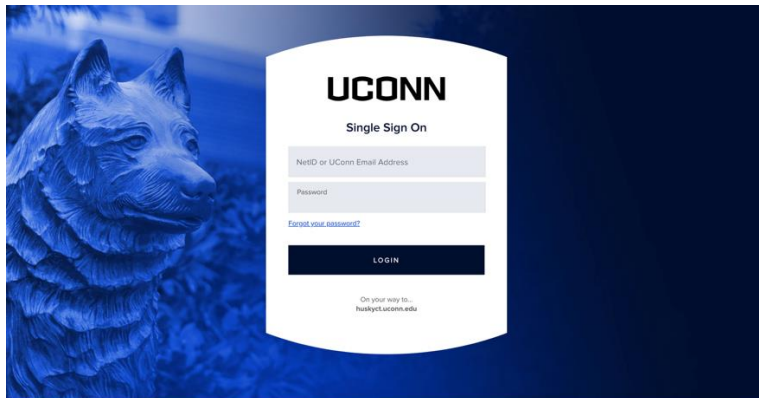

The **School of Civil and Environmental Engineering** will use this HuskyCT site to post a wide range of valuable opportunities and resources, including information about events, scholarships, internships, awards, student clubs, and academic guidance.

To stay informed, please make this site easily accessible and check it regularly throughout the academic year.

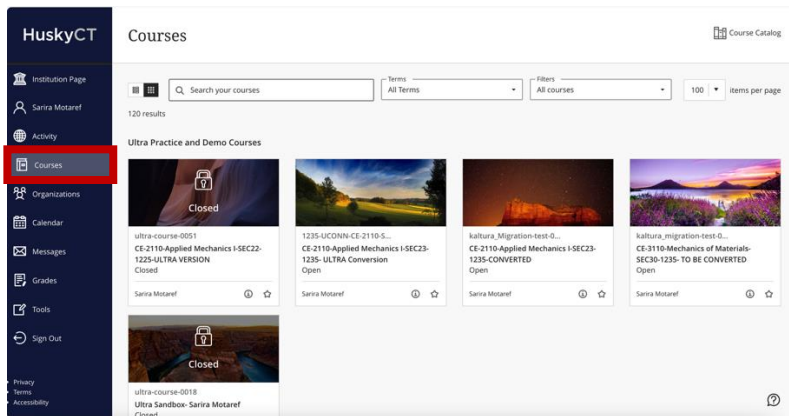

Step 1: Open your web browser and go to <https://huskyct.uconn.edu>

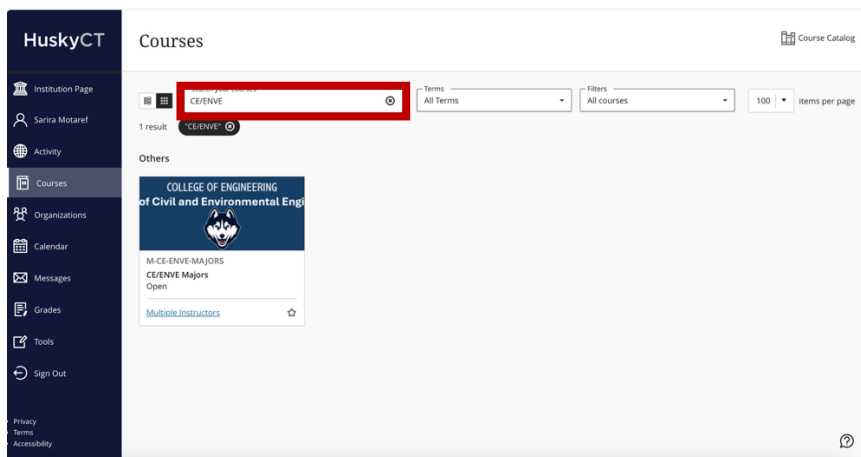

Step 2: Log in using your UConn NetID and password.

Step 3: On the left-hand menu, click "Courses."

Step 4: In the search bar at the top, type "CE/ENVE" to locate the site.

Step 5: Click the **star icon** in the lower-right corner of the course tile. The star will turn pink, marking the course as a **favorite**. This will help you easily access the site from your dashboard in the future.
